This report, which is prepared pursuant to Section 4(2) of the Election Finances Reform Act, covers the activities of the Commission for the calendar year 1983.

The Commission on Election Contributions and Expenses was established under the authority of the Election Finances Reform Act, enacted by the Legislature of Ontario in May 1975, to ensure compliance with the requirements of the Act by political parties, constituency associations and, candidates and also by the individuals, corporations and trade unions wishing to support financially the political party of their choice.

The Commission's responsibilities under this Act extend further to ensuring that:

1. trust funds held prior to the Act coming into force for the purposes of a constituency association or the future candidacy of any person at an election were declared and administered in the manner required under the Act (Section 1(4)) and

2. each political party establish a non-profit corporation as a foundation for the purpose of managing the assets not required for the administration of its affairs and held immediately prior to registration with the Commission and that the administration of the foundation is in keeping with the requirements of the Act (Section 40(1)).

In 1978 the Commission received the additional duty following the Legislature's amendment of Section 11 of the Legislative Assembly Act to annually "review and make such recommendations that it considers proper in respect to the indemnities and allowances of Members of the Assembly".

Our report for the year, therefore, covers the conduct of

the Commission's responsibilities under the two Legislative authorities.

THE COMMISSION

The responsibilities for administration of the requirements of the Election Finances Reform Act and the additional duty under Section 11 of the Legislative Assembly Act rests with a Commission which is composed of:

1. A Chairman who is appointed by the Lieutenant Governor in Council for a term of not more than ten years.

2. Six persons who are appointed by the Lieutenant Governor in Council for a term of not more than five years and who have been appointed pursuant to the provision of Section 2(1)(a) namely "two persons as nominees of each political party that is represented in the Assembly by four or more members of the Assembly and nominated candidates in at least 50 per cent of the electoral districts in the most recent general election, on the recommendation of the leader of the party".

3. A bencher of the Law Society of Upper Canada who is appointed by the Lieutenant Governor in Council for a term of not more than five years to hold office only while he remains a bencher, and

4. The Chief Election Officer

A listing of the Commission Members at December 31, 1983 and of earlier appointments is contained in Appendix I.

The Commission met eight times during the year and in the conduct of its responsibilities under the Election Finances Reform Act the Commission has used its best endeavours to persuade and encourage persons and parties to observe the Act and conform to its requirements. This attitude and approach has been effective in reducing to a minimum the disciplining functions of the Commission.

PART I

THE ELECTION FINANCES REFORM ACT

Our report on matters related to responsibilities of the Commission under this Act must consider what has transpired in relation to the recommended amendments to the Act, interpretations, the registration or de-registration of political parties and constituency associations, annual audited statement approvals, by-election campaign activity, apparent contraventions of the Act, conference and seminar attendance and research.

AMENDMENTS TO THE ACT

One of the duties of the Commission as set forth in Section 4(1)(f) of the Act is to "recommend any amendments to this Act that the Commission considers advisable" and pursuant to this direction, the Commission has from time to time sent forward to the Speaker of the Legislative Assembly a number of proposed amendments dealing mainly with the administrative areas of the Act - leaving policy matters for determination by the elected Members of the Legislature.

Three amendments to the Election Finances Reform Act were recommended by the Commission during 1983 and sent forward to the Speaker of the Legislature. These are detailed as follows:

1. An amendment to Section 41(4) of the Act, which presently requires an auditor to express an opinion on the financial statements examined, to permit an auditor, in circumstances where the audit examination is for some reason limited, to "deny" an opinion, in keeping with generally accepted auditing practice and in line with current corporate statutes.

2. An amendment to subsections 10(3), 11(2) and 15(2) of the Act to require political parties, constituency associations and candidates to maintain their respective records and to have a mailing address and depository for contributions in Ontario thereby ensuring Commission accessibility to the relevant records for such review as the Commission considers necessary.

3. An amendment to subsections 13(4) and (5) of the Act, which were not designed for the further redistribution of electoral districts following the redistribution which took place upon enactment of the Representation Act, 1975, to provide for the reconstitution of constituency associations following any further redistribution, and for disposition of constituency funds.

The Commission also considered problems with regard to Section 30(1)(b) of the Act and Section 17, but in each case the Commission felt that a substantive principle was involved and decided to request clarifying legislation.

The adoption of the recommended amendments into law together with those previously recommended by the Commission and clarification of Sections 30(1)(b) and 17 will improve the Act and make it more effective.

INTERPRETATIONS

During the year as a consequence of various matters and situations which came to the attention of the Commission the following interpretations were made:

1. Where part of a ticket price for a fund-raising event is considered a contribution and the amount which is considered a contribution exceeds $10, payment for the ticket must be made by cheque drawn on an account in the purchasers name or by a money order signed by the purchaser.

2. "Person" as defined in the Act includes the executor of a will carrying out the intent of the testator.

3. The supply of wine, beer or liquor gratuitously as a promotion of the product at a fund-raising event constitutes a contribution of goods and services where the value of the product exceeds $100. The value is defined as the amount charged by the producer to the Liquor Control Board of Ontario.

4. Where audited annual or campaign statements of political parties or constituency associations are not in the hands of the Commission by the date of the Commission meeting next following the deadline date for the filing, deregistration proceedings under Section 14(2), (3) and (4) of the Act shall be undertaken.

The decision of the Commission in these matters has been communicated to the persons who either raised the subject for clarification or required notification of the decision.

REGISTERED POLITICAL PARTIES AND CONSTITUENCY ASSOCIATIONS

The number of registered political parties remained unchanged at seven, namely, the Progressive Conservative Party of Ontario, Ontario Liberal Party, New Democratic Party of Ontario, Communist Party of Canada (Ontario), Ontario Libertarian Party, Northern Ontario Heritage Party and the Unparty Party (Ontario).

A name change was proposed late in the year by officials of the Unparty Party (Ontario) to change the name of the party to the Freedom Party of Ontario with initials "F.P." and formalization of the name change was effected early in 1984.

There are now 20 political groups seeking to register as political parties by the petitioning process, three more than at December 31, 1982 and none of the political groups has yet submitted the completed petition required under Section 10(2)(d).

The three additional political groups who have obtained Commission approval of the Party name and who are seeking registration by the petitioning process are:

1. Christian Reform Party of Canada
2. The Green Party of Ontario
3. The Social Credit Association of Ontario

A full listing of registered political parties and approved party names is set forth in Appendix A.

In the case of registered constituency associations while the total number registered at December 31, 1983 remains the same as last year at 414, voluntary de-registration is in process for the Unparty Party Associations of Niagara Falls, Ottawa South, Beaches-Woodbine, Eglinton and York East and the Libertarian Party Associations of Frontenac-Addington, Kingston and the Islands, St. George, Scarborough Centre and Scarborough East.

Once all matters relative to the voluntary deregistration of the 10 constituency associations is complete, the total number of registered constituency associations will stand at 404.

Appendix B of the report indicates the electoral districts in which each registered political party has a registered constituency association at December 31, 1983.

The Commission's work in respect to the registration of political parties and constituency associations does not cease with the delivery by the Party or Association of the registration details

required under Sections 10(3) and 11(2) because it is also a requirement of Sections 10(6) and 11(4) that the Commission be notified of any alteration in the registered information within 30 days of any such alteration.

While most of the constituency associations conform to this requirement, there have been instances where the Commission's lines of communication with constituency associations have broken down because of changes in the appointment of chief financial officer or other executives, and the Commission has not been notified.

To ensure conformance, therefore, with the requirements of Sections 10(6) and 11(4) the Commission has instituted a periodic follow up with each constituency association to ensure that registration details are current.

1982 ANNUAL RETURNS

Each year the Commission conducts a program urging chief financial officers and auditors to deliver the audited annual statements of their party or constituency association to the Commission not later than the deadline date of May 31st.

The program commences with a mailing of the required reporting form with a covering letter the second week of January, a couple of follow-up letters over the ensuing three months and finally in the month of May telephone calls are made to those chief financial officers and auditors from whom returns have not

been received urging them to deliver the required statements by the deadline date.

While our staff is confident that this program is the best that can be instituted under the present legislation, the chief financial officers of 61 of the 414 constituency associations failed to file the annual statement by the May 31st deadline.

With only one exception, an apparently valid reason for the late filing has been given and therefore, the Commission has not given its consent to the prosecution of the persons involved, although the Commission is required by Section 4(1)(g) of the Act to report any apparent contraventions to the Attorney General. In each case the Commission has sent a letter reprimanding the officials responsible for the late filing for their dilatory performance.

The case where there was not an apparently valid reason for the late filing was dealt with by the Commission by deregistering the Association pursuant to the provisions of Section 14(2), following which the audited statement was delivered to the Commission.

It is expected that a greater percentage of on-time filings will be experienced should the Act be amended in keeping with one of the Commission's recommendations to require a chief financial officer who ceases to hold office to file with the Commission an audited statement for his period of office not covered by a previous

audited statement rendered to the Commission.

All too frequently the filing of a return after the deadline date has been in instances where the chief financial officer of record has not held the position for the entire reporting period covered by the annual audited statement and he is not familiar with the earlier financial activity of the association, which may include incomplete records.

In examining the audited financial statements received there are instances where contraventions came to the attention of the Commission staff and which in accordance with the Commission's policy, the Commission staff seeks to have corrected to conform with the requirements of the Act. The contraventions generally encountered are the failure of a chief financial officer to issue a receipt for every contribution accepted, the acceptance of cash contributions in excess of the $10 limit on cash contributions, the failure to list every contributor who made contributions totalling in excess of $100 in the year in the listing submitted with the return, the acceptance of contributions from unincorporated associations when the Act stipulates that the contribution can only be accepted in the name of the persons who shared in the contribution, and goods and services valued at $100 or less have been recorded as a contribution contrary to the provisions of Section 22(2) of the Act.

The Commission continues to be administratively helpful as a matter of policy, which is in keeping with the requirement

of Section 4(1)(a) of the Act, namely, that the Commission shall

> "assist political parties, constituency associations and candidates registered under this Act in the preparation of returns required under this Act."

Financial details assembled from the 1982 Annual Returns filed by constituency associations indicate that in the annual reporting period of 1982 constituency associations had receipts totalling $4,542,918 and expenditures of $3,509,577 - a net surplus of receipts over expenses for the year of $1,033,341. Details are set forth in Appendix D of this Report. The accumulated surplus at December 31, 1982 of all constituency associations registered with the Commission totalled $2,095,905.

Similar details of political party financial activity in the 1982 annual reporting period are provided in Appendix C.

In addition to the 1982 annual returns of constituency associations and political parties, the Commission received and approved the Annual Expenditure Reports of the Foundation established by the Progressive Conservative Party and the Ontario Liberal Party pursuant to the requirements of Section 40, as well as the eight remaining trust funds established pursuant to Section 1(4) of the Act.

BY-ELECTION CAMPAIGN ACTIVITY

The campaign period in respect to the by-election held in the electoral district of York South on November 4, 1982 ended on March 4, 1983 and pursuant to the requirements of Section 43(2) audited statements of campaign period receipts and expenses were

received by the deadline filing date of May 4, 1983 from each of the five candidates who registered with the Commission in respect to the by-election, the 4 registered constituency associations in the electoral district and from 3 of the 7 registered parties who received contributions or incurred expenditures in relation to the by-election.

Each of the audited statements rendered to the Commission has been approved by the Commission and where applicable, candidate expense and audit fee subsidies have been paid.

Details of the by-election campaign period receipts and expenses of the 5 registered candidates are provided in Appendix G and of the 3 registered parties in Appendix F.

During the year the Lieutenant Governor of the Province issued a Writ on October 31st, calling for a by-election in the electoral district of Stormont, Dundas and Glengarry with the polling day being held on December 15, 1983.

The calling of the by-election brought on the usual additional activity related to the registration of the candidates and the mailing of guidelines and official receipt forms to each candidate's chief financial officer.

However, greater awareness of the requirements of the Election Finances Reform Act with respect to the time when commerical campaign advertising may commence and cease, along with the contribution limitations and other provisions of the Act, was evident in

that no complaints were received regarding the campaigns of any of the candidates who ran for election, and telephone inquiries about the provisions of the Act were minimal.

The campaign period for the Stormont, Dundas and Glengarry by-election does not end until April 15th, 1984 - (four months after polling day) and consequently the financial details of the campaign of each of the candidates registered for this by-election, the registered political parties and the registered constituency associations in the electoral district will not be known until the campaign period statements are filed with the Commission on or before the deadline date of June 15, 1984.

Appendix H contains a listing of the general and by-elections called since the Election Finances Reform Act came into force.

APPARENT CONTRAVENTIONS OF THE ACT

The Commission pursuant to the requirement of Section 4(1)(g) of the Act submits its report annually to the Attorney General listing the apparent contraventions of the Act which have come to the Commission's attention.

The contraventions are generally determined by the Commission staff in their review of the audited financial statements which have been received but in addition, contribution data contained in the audited statements is correlated by computer to determine whether or not a contributor has made contributions in excess of the aggregate contribution limits allowed under Sections 1(2) and 19.

With the exception of the late filing of an audited campaign period or annual return which are not correctible situations but which the Commission has determined has each been due to extenuating circumstances, the Commission has obtained the cooperation of the persons, corporations or trade union officials responsible for the contravention in having the matter corrected.

The practice of seeking to have contravention situations corrected in keeping with the requirements of the Act is in keeping with the Commission's objective of being administratively helpful to the volunteer involved in the political process in Ontario and in ensuring the continued financial support of the political process in Ontario by the contributor.

CONFERENCE AND SEMINAR ATTENDANCE

In the majority of the Canadian jurisdictions, legislation regulating political party financing is either in force or is actively being considered.

Each year there has been a conference of Canadian Election officials where the agenda for discussion provides for an exchange of information about election financing legislation in force or contemplated or amendments proposed thereto and related administrative practices.

In 1983 the annual conference held in Halifax, Nova Scotia the third week in July was attended by the Chairman, the Executive Director and the Registrar.

The Commission's awareness of the election financing and

regulating requirements in the United States was furthered through the attendance by the Chairman and Commission member William Scandlan at the Conference of the Council on Governmental Ethics Laws held in Montgomery, Alabama in December. Mr. Warren Bailie also attended as Chief Election Officer.

Over the years the Commission staff have made it known to the officials of each registered party that they were prepared to attend meetings of party officials for the purpose of reviewing the requirements of the Election Finances Reform Act.

In the 1983 calendar year Commission staff accepted an invitation of the Ontario Liberal Party to attend a workshop session for chief financial officers held by the Party in November in conjunction with its annual convention. In addition the Commission was represented by its staff at two chief financial officer seminars sponsored by the Progressive Conservative Party held on November 12 and December 12 and the invitation was extended for the further participation by our staff at a number of additional seminars planned for early in the new year.

During late 1983 plans were made for an extensive series of Commission seminars throughout the province in 1984. These seminars are currently under way and have been highly successful.

RESEARCH

The staff of the Commission published a study entitled "Canadian Election Reform: Dialogue on Issues and Effects, December 1982" early in 1983. This study provided an overview of

the effects of electoral reform legislation in the electoral process in Canada. It has been widely distributed and well received. We at the Commission have reason to believe that as a result of the survey, which was a framework for discussion only, a more scholarly and formalized study of this very important subject will be undertaken shortly.

The Commission research staff continued its review of election financing legislation in force in the various Canadian and American jurisdictions during 1983. The results of this research, which consists of an update of the study entitled "A Comparative Survey of Election Finances Legislation" produced by the Commission in 1978, will be published in 1984.

PART II

THE LEGISLATIVE ASSEMBLY ACT

MEMBERS INDEMNITIES AND ALLOWANCES

The Commission in December 1978 was given the responsibility of making such recommendations as it considered appropriate with regard to the indemnities and allowances of Members of the Assembly and in respect of the salaries and allowances of Party leaders, Cabinet Ministers and Parliamentary Assistants.

Reports setting out the recommendations of the Commission were submitted to the Speaker on June 14, 1979, December 12, 1979, March 26, 1980, February 3, 1981 and March 5, 1982. The Sixth Report submitted February 23, 1983 followed the Government's Guideline with respect to financial restraint and recommended that all

indemnities and allowances be increased by not more than five percent.

As a result, the Legislative Assembly Act was amended to increase the annual indemnity of Members of the Legislative Assembly payable from April 1, 1983 to March 31, 1984 by 4.86% namely, from $31,800 to $33,345 and the annual allowance for expenses of the Members of the Assembly was also increased from $10,600 to $11,130.

An extended examination of the petition failed to produce adequate information for the Commission to conclude that the petition met the requirements of the Act by the provision of 10,000 valid signatures in support of the petition. Unanimously, the Commission passed the motion that:

> "The petition for registration of the Nationalist Party of Canada be rejected, further that the letter from the Chairman advising the Nationalist Party of Canada that its petition had been rejected contain a summary of the Commission's findings with respect to the validity of the petition".

New petition forms were supplied to the Nationalist Party of Canada on March 16th, 1979.

3. The application of the United Party of Canada was considered at the Commission meeting held on September 24th, 1980 and although the application was not rejected, it was pointed out that if a valid petition was received from the Unity Canada Party, the Commission would not register the United Party of Canada pursuant to the provisions of Section 10(5). 4. The Right to Life Party of Ontaro (RTL) received Commission approval of the party name per their application dated November 2nd, 1981 After consideration and because of potential conflict with the charitable organization known as the Right to Life Association of Ontario and Area, they withdrew their petition application for political party registration under date of January 28th, 1982.
